OVER

Aug 71 - Terrell saw this in No Car, but no fr seen
7-20-71. Name change, Hartwell to Powell. (see Hartw. file)
2/74. Powell needs 25-50# seed.

* Sufferer memo to Hartwell 10-18-74. (msh)

Jacobson advised of name change 3/20/75 (77c)

Per Dr. Perdue: Get estimate from Lazor for
300-500#. (1/76)

Lazor says unavailable right now 2/76.
Maybe Spring.

See sp. memo 2-24-76 to Lazor. Say he can
supply.

X Ltr. from Princes (NRRL) 10-4-76. Will be working
on PR-42907 This summer + will not know if this will
be sufficient. Will let us know next summer if they need more.
